

CompTIA CTT+

Earning the CTT+ certification designates you as an exceptional trainer in your field. As an instructor, you not only have to plan engaging classroom lectures, practice tasks and exams, but you must also be a knowledgeable and effective communicator. CTT+ certification provides comprehensive training standards to validate your skills in a traditional or virtual classroom environment, and ensures that you can teach effectively and step up to the front of the class with confidence.

How you'll benefit

This class will help you:

CTT+ is trusted by leading organizations

- Corporations such as Dell, Microsoft, Adobe, Cisco, IBM and Ricoh accept CompTIA CTT+ as proof that an instructor is qualified to teach their programs.

CTT+ lets you teach with confidence

- By requiring a video submission of the training session instruction as part of the certification, CTT+ ensures candidates have effective teaching skills.

CTT+ verifies essential teaching modalities

- Moreover, 74% of organizations take a blended approach to learning, augmenting ILT delivery with either a mobile, video, or social component. Earning a CTT+ certification can validate your skills as a top trainer in a virtual or physical classroom.
